

# Home at last

Yesterday was the 1st March 2012... eventually. That means the new kitten came home.

I left home at around 18h45 to go and fetch him. Got back home at around 20h30

It seems like "Fancy Cat" will be his name. This came about after I tried to explain to someone that a Siamese is no ordinary cat. They are something special, unique, "fancy"

The scene from "The Lady and a tramp" where the two Siamese came to visit and sang their Siamese song is so typical. They are proud, always get what they want, get into trouble then plead "cute".

I will let the photos tell the rest of the story...

Diesel engine is going!!

Quick Snack

Whats this?

Let me see

A cat tree? Whats that?

It's to high

Very tired after the first night
